Sponsorship Form

Once again the Lower Left Coast NNL will donate **all the proceeds** from this years event to **Operation Silver Star**, a charity designed to assist wounded and disabled California veterans with their evryday needs that are not covered by the VA or any other organization. In the past we have had the pleasure to welcome Delia and Richard De La Cruz, the founders and directors of Operation Silver Star our event to personally thank every for their support. Operation Silver Star is a very unique charity because there are no administrative fees taken from donations. **All the money, 100% goes to helping our veterans.** All of us involved are volunteers and receive no compensation for our time and efforts on behalf of Operation Silver Star. We all feel strongly about Operation Silver Star and are dedicated to making this event a success.

There are three levels of sponsorship available for those wishing to get involved. The top level is the Premier Sponsorship level, Premier Sponsorships are \$100.00 each, the second level is the Basic Sponsorship which is \$50.00. If you are unable to contribute at these levels you can contribute as an Auxiliary Sponsor where you can contribute at any level that feels comfortable. You may also contribute by donating items for our raffles. If you have raffle items please contact me to discuss their suitability for our event.
