If you have more than 10 models ask for the auxiliary registration form

Display Table models are not eligible for any awards and will not be charged an entry fee. However, the \$2.00 admission fee will apply to the builder.

No model is eligible for an award if it does not have a place mat with a builder's number and/or if the entry fee was not paid.

The entry fee allows the builder only to enter the display and vendor area, all guests, friends, spouses, significant others, children, 17 and older as of August 1, and mysterious life forms either real or imagined, must pay a \$2.00 Spectator Entry fee, after all this is a charity fund raiser for Victory Junction.
